1. ABOUT The General Secretariat of the Organization of American States

GS/OAS is the central and permanent organ of the Organization of American States (OAS). Through its Department of Human Development, Education and Employment (DHDEE), GS/OAS supports OAS member states in creating policies and executing programs that promote human capacity development at all educational levels. By enabling formative opportunities to citizens, DHDEE strengthens democratic values and security under the framework of regional integration. DHDEE does this: (i) by supporting the efforts of OAS member states to improve the quality of and equity in education; and (ii) by assisting the citizens of the Americas in realizing their full potential by giving them access to knowledge and skills through training that improves the standard of living for individuals, families and communities in the region.

2. ABOUT Colorado State University

Founded in 1870 as the Colorado Agricultural College, Colorado State University is one of the nation's top research universities, offering a world-class education through more than 150 programs of study. Academic programs at CSU are among the best in the nation in quality, innovation and achievement, with internationally known programs in infectious disease, agriculture, cancer research, atmospheric science, sustainability and clean energy, and much more. CSU faculty tackles critical local and global issues, and provides an enriching and rewarding student learning experience that combines intellectual classroom pursuits with hands-on experience in the field and laboratory.

CSU is located at the base of the Rocky Mountains in beautiful Fort Collins, an award winning city of about 150,000. Approximately 25,000 students study on campus, including more than 2,000 international students from 94 countries. In the College of Business, the Global Social and Sustainable Enterprise (GSSE) MBA was founded in 2007.
